Competition Day Reminders

Competition Timeline:

Can delivery- Canned foods may be dropped off on Thursday, February 11 at EA 101 between 4-6 pm for storage until the competition on Friday. Alternatively, canned foods may be delivered Friday morning before the competition from 7:30-9 am, to your designated build spot.

Competition build- The competition will begin at 9 am. You will have until noon to complete your design.

Lunch- Lunch will be provided in EA 102A from 12-1:15 for all participants.

1:15-1:30 What is Civil Engineering?

1:30-2:00 Awards Ceremony

On the day of the competition, each team must provide the following:

1. A detailed "shopping list" of all cans used in your design. (name of each can and quantity)
2. Total number of cans you used in your design.
3. Receipts for all cans purchased with Sponsor Funds

Remember:

- Cans should be packed in sturdy cartons and labeled with team name and the site number your team has been assigned.
- Save all packing boxes. Boxes must be used to repack cans at the end of the competition.

If you need any additional information, please contact Heather Kraus at phone: 901-683-3900; email: hkraus@ssr-inc.com; fax: 901-683-3990.
